

## The Gypsy Queens Hospitality Rider

**For the Gypsy Queens performance, here is what they wish for:**

- When you arrange the traveling:
- 2 twin rooms and one single room, the hotel must have a safe, and a gym, if the band is staying for more than 12 hours.
- Flights: all 5 members fly from Nice and back to Nice, unless specified differently because of other performances before or after your event
- Transfers between airport and hotel, hotel and venue, venue and hotel, and then hotel to the airport, must be organized for the band.
- A hot meal is to be served the night of the performance, before the performance.
- Still water and soft drinks must be available at any time to the band members.

## The Gypsy Queens Technical Rider

- The band performs an acoustic show there for they travel with their own instruments, except a Contrabass that you must rent.
- It is a  $\frac{3}{4}$  contrabass, no bow needed.

**For Amplified shows, please download the Technical Rider.**
